It is an Institutional Efforts Towards Self-Employment and Conservation of Domestic Goods

Notice for Bihar, Jharkhand and Uttar Pradesh.

Notice No.- 21 Dated 22.12.2025.

Congratulations to all of you with great pleasure that we are informing all of you about our domestic distribution programme. After a long time, the wait is over now because we are going to land the programme among domestic-consumers through our representatives. Further, it is hereby informed to all of you that Aryabhatta Rural Domestic Council is a voluntary programme of the Institution in respect of exploration, conservation, distribution and consumption of domestic-goods. This programme has been established with a view to elaborate domestic-goods in rural area's which will be based on Maximum Social Advantages through voluntary co-operative development system. For successful operation of the system, twelve panchayats of a block, twelve blocks of a district will be taken, compulsory at the combination of three districts level. But, in special circumstances, programme can be commenced at the combination of minimum three districts having seventy-two Domestic-Assistants, compulsory. But, this quorum will be compulsory for the commencement.

Thus, minimum quorum of Domestic-Assistants for a panchayat, a block, a district and at the combination of three districts level will be up to two, twenty-four, two hundred & eighty-eight and eight hundred & sixty-four, respectively as per provision of the programme. Therefore, this programme will be implemented among rural domestic-consumers at your related jurisdiction level under Institutional subsidize-system. But still, Institution has decided to land the programme as a pilot project in absence of quorum for the same. Further, it is hereby informed to all of you that this programme will be commenced after 26th January 2026 before 25th February 2026 sincerely among domestic-consumers through our representatives for welfare of our society & nation. Consequently, this programme is being implemented for domestic-consumers and it will be developed under scheme of public-partnership system and further, this programme will be run & managed by the Institution up to six qualifying years i.e. one qualifying year will be of five years.

Thanks for your better understanding.
